Strengthen **TOMORROW**

Dear FRIENDS

Our Council is striving to make a difference in the lives of youth in our community. You can help make a difference by supporting our council with a financial donation. 100% of your donation stays local for Scouting right here.

So often we pay our taxes today and the money goes to programs that are reactionary. Wouldn't it be nice to be able to make a choice and be able to spend that money for a preventative method? Scouting is a resource for our youth and it teaches them the principals of the Scout Oath and Law so they can make better moral choices.

We know you are selective in your investments and donations. Today, we ask that you make an investment to help keep Scouting strong for tomorrow. Scouting has been instilling values in our youth for more than 100 years and with your help we can continue to make a difference. We ask for your help now, participate in our annual Friends of Scouting campaign by considering a donation at an amount that you believe can make a difference.

Thank you for all you do for Scouting!
